

# Glamour 2010

## Pre-primers

- Lash and Lid Bath** #6019 \$10.00 non-oily, takes off residue from eye makeup, safe for contact wearers
- Regeneration Tight Firm and Fill** #14242 \$48.50 Advanced age-intervening treatment. Instantly fills wrinkles and folds. Both instant and long-term results
- Regeneration TFF Eye** #14213 \$42.50 Panty hose for your eyes! Works immediately to firm the eye area and ease hooding

## Primers and Concealers

**Helpful hint: Use a concealer that is slightly lighter than your foundation**

- Secret Agent Wrinkle Deflector** #2473 \$16 has properties that deflect light, not filling, good for use around eyes
- Secret Agent Color Primers** \$10
- Yellow #12007 good for dark circles & discolorations
  - Mint #12005 counteracts red, good for eczema
  - Mauve #12006 good for sallowness, yellow skin, jaundice, people with cancer
  - Natural #12004 silky feeling. Helps to hold makeup on all day (those who have oily skin & feel foundation usually "rolls" off).
- Plat. Age Defying Concealers** \$19
- Light #13505 has light diffusing properties, doesn't set in wrinkles, very light, good for oilier skin, mature skin
  - Medium #13506 use under eyes & natural shadows, blend
  - Dark #13507
- Extra Help Concealer** \$7
- Light #6455 gives more coverage. Oil based
  - Medium #6457 use under eyes & natural shadows, blend
  - Dark #6456
- Secret Agent Maximum Coverage** \$5.50
- Light #10236 very, very thick like stage makeup
  - Medium #10237 good for scarring on the face & birthmarks
  - Dark #10238

## Foundations

- Perfecting Wet/Dry Finish** \$21 #1 selling, great to powder over makeup, use after Secret Agent Under Cover Makeup, lasts 6 months, mist sponge with Hydrating Mist to apply wet, NEVER use regular water...will cause crust to form in foundation
- Neutral N-1 to N-5
  - Pink P-1 to P-6
  - Yellow Y-1 to Y-5
- Secret Agent UnderCover Make-Up** \$16 makes skin look flawless, gives glow, not oily or heavy, goes on light but dries dark, transfer resistant, full coverage, hides imperfections. To apply....dot, dot, dot then blend, with sponge or brush. Oil free – all skin types
- Neutral N-1 to N-5
  - Pink P-1 to P-6
  - Yellow Y-1 to Y-5
- Platinum Reg. Age-Defying Makeup** \$25 SPF 12, weightless, full coverage, anti-aging ingredients to help plump skin, reduces lines & wrinkles, freckles, increases hydration, promotes brighter skin, cumulative.

## G e n e r a l   T i p s

- Sponges & Brushes are your friend! Never use fingers to apply glamour products
- Makeup is very trendy and seasonal
- Skin shade changes from season to season so check your foundation and that of your client  
intensity will change but the tone will not, if you are an N you are always an N
- Every time you order add one item of glamour to build your demos  
colors are impulse buys and having them on-hand helps your sales
