BeautiControl Spas...

We bring pampering, relaxation,
and girlfriend time to your front door!

Here is your **PLAN**
to **RELAX!!**

Please read over this information and
let me know if you have any questions!

Your Spa Information:

Date: _____

Time: _____

Place: _____

Please Email me your guest list by: _____

I will arrive by: _____

Guests should arrive by: _____

Your Spa will last approximately 60 minutes with 30 minutes at the end of the spa for your guests to purchase products, schedule their own spas and have all their questions answered!

Each Spa includes treatments for Faces, Hands, and Feet with an opportunity to add on (1) additional theme!

FACES - BeautiControl's scientific approach to skin care meets each guests specific needs providing them with their own personalized skin care prescription.

HANDS - When it comes to revealing age, your hands show it all. Show your guests' hands some love by softening and moisturize their hands and cuticles.

FEET - spa-quality products that create professional pedicure results for a fraction of the cost of traditional salon pedicures.

Collect Outside Orders and receive **FREE PRODUCT!!**

Receive _____% of what you collect!

Example: Collect \$100 and receive \$25 free!

No limit to how much you can earn free!

Who should you collect Outside Orders from?

- ~ Guests that can not attend
- ~ Family and friends that do not live nearby

How can they Order?

1. My website: _____
They can pay online and the order will be shipped directly OR they can send me the order and I can deliver it to the spa.
2. Collect orders and payments in this hostess booklet!

Optional: Choose **ONE** additional Spa theme

INSTANT FACE LIFT - No lines. No wrinkles. No waiting. Just beautiful results! You and your guests will see dramatic results and look years younger in just 20 minutes by treating them to a multi-acid resurfacing treatment regimen that will leave their skin looking and feeling years younger.

COLOR - Invite guests to look runway ready everyday with easy-to-apply color. BeautiControl palette of shades were developed to complement all skin types to offer your guests intensely dramatic looks to a finish so natural that only they will know the truth. They will find their color and show off their beauty better than before.

DETOX - Experience Detox for yourself... BC Spa Detox is a complete line of products that helps you remove the toxins from your skin, neutralize their effects, and re-mineralize with a clinical strength blend of natural ingredients. These products are stress-relieving must-haves for every woman.

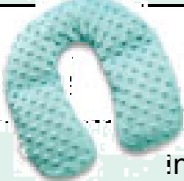

MARGARITA - BeautiControl's Margarita Collection features fun products with the unmistakable summery fragrance of that classic Mexican cooler, the margarita. Any summer get together is even more fun when you add Margarita to the mix. The Margarita Collection is the perfect product centerpiece for parties that are all about cutting loose and having a great time!

Also choose from: *Season Themes, Mother/Daughter Spas, Bridal Spas, Work Spas and MORE!* Ask me for more details!
